PREAMBLE

This Agreement is entered into by Livingston County, Illinois, and the Sheriff of Livingston County, Illinois, hereinafter referred to as "Employer", and the Fraternal Order of Police, Livingston County Sheriff's Correctional Officers, Court Security Officers, Secretaries and Officer Manager, Lodge No. 186, and the Illinois F.O.P. Labor Council, hereinafter referred to as the "Lodge".

The purpose of this Agreement is to provide an orderly collective bargaining relationship between the Employer and the Lodge representing the employees in the bargaining unit, and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employer and the Lodge to work together to provide and maintain satisfactory terms and conditions of employment, and to prevent as well as to adjust misunderstandings and grievances relating to employees' wages, hours and working conditions.

In consideration of the mutual promises, covenants and agreements contained herein, the parties hereto, by their duly authorized representatives and/or agents, do mutually covenant and agree as follows:

ARTICLE 1 -- RECOGNITION

Section A. Unit Description

The Employer hereby recognizes the Lodge as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on any and all matters relating to wages, hours, and all other terms and conditions of employment of all full-time employees in the bargaining unit. The bargaining unit shall include: All sworn, full-time correctional officers in the rank of sergeant and below, all sworn, full-time court security officers, all full-time secretaries and any full-time office manager, but shall exclude the Jail Administrator, Sheriff, all supervisory positions created above the rank of sergeant and all other employees of Livingston County, Illinois, and the Livingston County Sheriff's Office. The parties agree that the newly created position of Assistant Jail Administrator shall be excluded from the bargaining unit but understand that a Unit Clarification must be filed with

and approved by the Illinois Labor Relations Board State Panel. The parties agree to reasonably cooperate in the Unit Clarification process. A member or the members of the bargaining unit are hereinafter referred to as "employee" or "employees".

Commencing with the pay period which began May 30, 2011, court security officers, secretaries and the "LEADS" supervisor, also referred to herein as "eight (8) hour employees", continued to work eight (8) consecutive hours within a twenty-four (24) hour period and correctional officers, also referred to herein as "twelve (12) hour employees," began working twelve (12) consecutive hours within a twenty-four (24) hour period.

Section B. Supervisors

Subject to Article 20, Section A, supervisors and other employees of the Livingston County Sheriff's Office may continue to perform bargaining unit work which is incidental to their jobs. They may also perform bargaining unit work in emergency situations and where such work is necessary to train a bargaining unit employee. Such work by supervisors or other employees of the Livingston County Sheriff's Office shall not cause any layoffs of the bargaining unit employees.

Section C. Part-Time Employees

The Employer may continue to utilize part-time employees as relief employees or in emergencies as necessary.

ARTICLE 2 -- NEW CLASSIFICATION AND VACANCIES

Section A. New Classifications

Where the Employer finds it necessary to create a new job classification, the work of which falls within the scope of the bargaining unit, the Employer and Lodge agree to jointly petition the State Labor Board to seek the necessary unit clarification.

If the inclusion of a new position classification is agreed to by the parties or found appropriate by the Labor Board, the parties shall negotiate as to the proper pay grade for the classification. If no agreement is reached within thirty (30) calendar days from the date

of inclusion, the Lodge may appeal the proposed pay grade to the second step of the grievance procedure.

The second step grievance committee shall determine the reasonableness of the proposed salary grade in relationship to:

- (1) The job content and responsibilities attached thereto in comparison with the job content and responsibilities of other position classifications in the Employer's work force;
- (2) Like positions with similar job content and responsibilities within the labor market generally;
- (3) Significant differences in working conditions to comparable position classifications.

The pay grade originally assigned by the Employer shall remain in effect pending the decision.

If the decision of the second step grievance committee is to increase the pay grade of the position classification, such rate change shall be applied retroactive to the date of its installation.

Upon installation of the new position classification, the filling of such position classification shall be in accordance with the posting and bidding procedures of this Agreement.

Section B. Vacancies

Vacancies shall be created and filled in accordance with past practice using established procedures. The Sheriff shall fill vacancies for new positions or promotions by selecting the most qualified person.

Section C. Promotions

- (1) To be eligible to take the promotion examination for rank, employees must meet the following requirements:
 - (a) Correctional Officer Sergeant or Court Security Officer Sergeant -
 - (i) Be a correctional or a court security officer with the Livingston

- County Sheriff's Department; and
- (ii) Have at least three (3) years experience as a correctional officer or court security officer with the Livingston County Sheriff's Department.
- (b) No employee will be allowed to take the examination who is on any unpaid leave of absence from the department.
- (2) The testing procedure will consist of a written examination and a departmental evaluation, with the evaluation completed before the written test is administered.
- (a) The written test will be obtained from a professional testing organization with the test being as specific as possible for the type and size of agency and facility such as the Livingston County Sheriff's Department and Livingston County Jail or Livingston County Law and Justice Center. Those taking the test will be ranked in descending order with the highest score ranked first.
 - (b) The departmental evaluation shall be made by the candidate's immediate supervisor covering the year preceding the date of testing and shall include relevant information concerning the applicant's demonstrated skills including job knowledge, demeanor, and potential for supervisory responsibility.
 - (c) The department evaluation form will be one approved by the Sheriff and Lodge #186.
 - (d) In the event a candidate has more than one supervisor, the supervisor with the greatest amount of contact will be considered the immediate supervisor. However, in every case, the immediate supervisory contact must exceed thirty three percent (33%).
 - (e) In the event of multiple supervisors, the candidate will select an evaluation from the other supervisors. The Sheriff and Lodge #186 representative will select the third evaluation.

- (f) The candidate shall be allowed to review his evaluation. Where a disagreement exists, the candidate may enter a written explanation. The candidate and Sheriff will be allowed to select another supervisor's evaluation in accordance with subparagraph (e).
 - (g) Upon completion of both departmental evaluation and written test, a composite score shall be computed for all eligible applicants. The written test score(s) shall form seventy five percent (75%) of the total score. Twenty percent (20%) shall be based upon the departmental evaluation.
 - (h) After the candidate's scores are completed in accordance with subparagraph (g), seniority points will be added according to the following formula: .25 percent per year of service. The total points allowed for seniority may not exceed a total of five (5) percent.
 - (i) After completion of subparagraphs (g) and (h), a final list ranking all candidates with the highest composite score ranked first, shall be made and posted.
 - (j) The promotional list will be valid for a period of two (2) years from the date of its issuance or when all names have been exhausted, whichever comes first.
 - (k) In the event that the list expires according to the definition of subparagraph (j), another promotional examination will be scheduled without reasonable delay.
- (3) Candidates will be selected for promotion from the top three (3) positions on the list. Placement will be decided by the numerical score of their composite ranking (written test, department evaluation and seniority).
 - (4) When a vacancy occurs within any rank, it will be filled as department needs dictate. If there is a vacancy in the position of court security sergeant, it may be filled on a temporary basis by reassigning a correctional officer sergeant to the position for a period of time not to exceed six (6) months from the date the vacancy occurs.

- (5) Any employee promoted according to the provisions of this Article will be on probation for a period of six (6) months within the new rank. Removal from the position will be only for just cause relating to the ability to supervise and not be punitive in nature.
- (6) Any employee promoted according to the provisions of this Article will be required to successfully complete an approved management or supervisory course of instruction within a reasonable time period.
- (7) Any disputes that arise in the application of this Article are subject to the Article dealing with grievance and arbitration.
- (8) This promotion procedure shall be effective for promotions made after December 1, 2011.

ARTICLE 3 -- NONDISCRIMINATION

Section A. Equal Employment Opportunity

The Employer will continue to provide equal employment opportunity for all employees, and develop and apply equal employment practices.

Section C. Lodge Membership or Activity

Neither the Employer nor the Lodge shall interfere with the right of employees covered by this Agreement to become or not become members of the Lodge, and there shall be no discrimination against any such employees because of lawful Lodge membership or nonmembership activity or status.

Section D. Use of Masculine Pronoun

The use of the masculine pronoun in this or any other document is understood to be for clerical convenience only, and it is further understood that the masculine pronoun includes the feminine pronoun as well.

ARTICLE 4 -- MANAGEMENT RIGHTS

The Employer possesses the sole right to operate the Sheriff's Office of the County and all management rights reposed in it. Nothing herein shall affect the internal control authority of the Sheriff. Except as specifically amended, changed or modified by the Agreement, these rights include, but are not limited to, the following:

ARTICLE 5 -- SUBCONTRACTING

Section A. General Policy

It is the general policy of the Employer to continue to utilize employees to perform work they are qualified to perform. However, the Employer reserves the right to contract out any work it deems necessary in the interests of economy, improved work product, or emergency.

ARTICLE 6 -- F.O.P. REPRESENTATIVES

For the purposes of administering and enforcing the provisions of this Agreement, the Employer agrees as follows:

Section A. Grievance Processing

Reasonable time while on duty shall be permitted Lodge representatives for the purpose of aiding or assisting or otherwise representing employees in the handling and processing of grievances or exercising other rights set forth in this Agreement, and such reasonable time shall be without loss of pay.

Section B. Lodge Negotiating Team

Employees designated as being on the negotiating team who are scheduled to work on a day on which negotiations will occur, shall, for the purpose of attending scheduled negotiations, be excused from their regular duties without loss of pay. This shall include reasonable time before and after each session to confer with the Council representative on the matters under negotiations. Employees serving as negotiators who are scheduled to work the night before scheduled contract negotiations shall be granted reasonable time off with pay at the discretion of the Sheriff, prior to the end of his shift. Such factors taken into consideration in determining the amount of time off shall include the starting time of negotiations and the duration of negotiations. If a designated negotiating employee is on regular day-off status on the day of negotiations, he will not be compensated for attending the session.

ARTICLE 7 -- DUES DEDUCTION AND FAIR SHARE

Section A. Dues Deduction

Upon receipt of a written and signed authorization form from an employee, the Employer shall deduct the amount of Lodge dues and initiation fee, if any, set forth in such form and any authorized increase thereof, and shall remit such deductions monthly to the Illinois Fraternal Order of Police Labor Council at the address designated by the Lodge in accordance with the laws of the State of Illinois. The Lodge shall advise the Employer of any increase in dues, in writing, at least thirty (30) days prior to its effective date. A copy of the Dues Deduction Authorization Form is attached hereto as Exhibit A and made a part hereof by reference.

Section B. Dues

With respect to any employee on whose behalf the Employer receives written authorization on a Dues Deduction Authorization Form, the Employer shall deduct from the wages of the employee the dues and/or financial obligation uniformly required and shall forward the full amount to the Lodge by the tenth (10th) day of the month following the month in which the deductions are made. The amounts deducted shall be in accordance with the schedule to be submitted to the Employer by the Lodge. Authorization for such deduction shall be irrevocable unless revoked by written notice to the Employer and the Lodge during the fifteen (15) day period prior to the expiration of this Agreement. The Employer will not similarly deduct dues for any other organization as to employees covered by this Agreement.

Section C. Fair Share

Any present employee who is not a member of the Lodge shall be required to pay a fair share (not to exceed the amount of Lodge dues) of the cost of the collective bargaining process, contract administration in pursuing matters affecting wages, hours, and other conditions of employment, but not to exceed the amount of dues uniformly required of members. All employees hired on or after the effective date of this Agreement and who have not made application for membership shall, or after the thirtieth (30th) day of their

hire, also be required to pay a fair share as defined above. All parties to this Agreement agree to comply with and follow Paragraph 6(g) of the Illinois Public Labor Relations Act.

Except as set forth above, the Employer shall with respect to any employee on whose behalf the Employer has not received a written authorization as provided for above, deduct from the wages of the employee the fair share financial obligation, including any retroactive amount due and owing, and shall forward said amount to the Lodge on the tenth (10th) day of the month following the month in which the deduction is made, subject only to the following:

- (1) The Lodge has certified to the Employer that the affected employee has been delinquent in his obligations for at least thirty (30) days;
- (2) The Lodge has certified to the Employer that the affected employee has been notified in writing of the obligation and the requirement for each provision of this Article and the employee has been advised by the Lodge of his obligations pursuant to this Article and of the manner in which the Lodge has calculated the fair share fee;
- (3) The Lodge has certified to the Employer that the affected employee has been given a reasonable opportunity to prepare and submit any objections to the payment and has been afforded an opportunity to have the objections adjudicated before an impartial arbitrator assigned by the employee and the Lodge for the purpose of determining and resolving any objections the employee may have to the fair share fee.

ARTICLE 8 -- INDEMNIFICATION

Section A. Employer Responsibility

The Employer shall be responsible for holding employees harmless from, and pay for damages (except punitive damages) or monies which may be adjudged, assessed or otherwise levied against any employee covered by this Agreement.

Section B. Legal Representation

Employees shall have legal representation provided by the Employer in any civil cause of action brought against an employee resulting from or arising out of the performance of duties.

Section C. Cooperation

Employees shall be required to cooperate with the Employer during the course of the investigation, administration or litigation of any claim arising under this Article.

Section D. Applicability

The Employer will provide the protection set forth in Section A and Section B above in any civil action arising from the performance of his duties or assignments, so long as the employee is acting within the scope of his employment and where the employee cooperates, as defined in Section C above, with the Employer in the defense of an action or actions or claims. Intentional acts, willful acts of misconduct and gross reckless acts involving gross negligence are not covered by this Agreement.

ARTICLE 9 -- NO STRIKE

Section A. No Strike Commitment

Neither the Lodge nor any employee will call, initiate, authorize, participate in, sanction, encourage, or ratify any work stoppage or the concerted interference with the full, faithful and proper performance of the duties of employment with the Employer during the term of this Agreement. Neither the Lodge nor any employee shall refuse to cross any picket line, by whomever established.

Section B. Resumption of Operations

In the event of action prohibited by Section A above, the Lodge immediately shall disavow such action and request the employees to return to work, and shall use its best efforts to achieve a prompt resumption of normal operations. The Lodge, including its

officials and agents, shall not be liable for any damages, direct or indirect, upon complying with the requirements of this Section.

Section C. Lodge Liability

Upon the failure of the Lodge to comply with the provisions of Section B above, any agent or official of the Lodge who is an employee covered by this Agreement may be subject to the provisions of Section D below.

Section D. Discipline of Strikers

Any employee who violates the provisions of Section A of this Article shall be subject to immediate discharge. Any action taken by the Employer against any employee who participates in activities prohibited by Section A above, shall not be considered a violation of this Agreement and shall not be subject to the provisions of the grievance procedure, except that the issue of whether an employee in fact participated in a prohibited action shall be subject to the grievance and arbitration procedure.

ARTICLE 10 -- RESOLUTION OF IMPASSE

In order to resolve impasses, the Employer and the Lodge agree to abide by the provisions of Section 14 of the Illinois Public Labor Relations Act with the following exceptions:

- (1) All arbitration hearings shall be conducted in Pontiac, Illinois, at a mutually agreeable location.
- (2) The provisions of Section 14 (f) relating to the arbitrator's authority to remand for further collective bargaining shall not apply.

ARTICLE 11 -- PERSONNEL FILES

Section A. Personnel Files

The Employer shall keep a central personnel file for each employee. The Employer is free to keep working files, but material not maintained in the central personnel file may not provide the basis for disciplinary or other action against an employee.

Section B. Inspection

Upon the request of an employee, the Employer shall reasonably permit an employee to inspect his personnel file subject to the following:

- (1) Such inspection shall occur immediately following receipt of the request.
- (2) Such inspection shall occur during daytime working hours Monday through Friday upon reasonable request.
- (3) The employee shall not be permitted to remove any part of the personnel file from the premises but may obtain copies of any information contained therein upon payment of the cost of copying. The Employer will provide any copies requested.
- (4) Upon written authorization by the requesting employee, in cases where such employee has a written grievance pending, and is inspecting his file with respect to such grievance, that employee may have a representative of the Lodge present during such inspection and/or may designate in such written authorization that said representative may inspect his personnel file subject to the procedure contained in this Article. Any such inspection shall be done with an Employer representative present.
- (5) If an employee disagrees with any information contained in the personnel file, the employee may submit a written statement of his position which shall become an integral part of that portion of the file over which disagreement exists, until such portion is permanently removed from such file.
- (6) If the employee disagrees with any information contained in the personnel record, a removal or correction of that information may be mutually agreed upon by the Employer and the employee. If an agreement cannot be reached, the employee may submit a written statement explaining the employee's position. The Employer shall attach the employee's statement to the disputed portion of the personnel record. The employee's statement shall be included whenever that disputed portion of the personnel record is released to a third party as long as the disputed record is a part of the file. The inclusion of any written statement attached in the record without further

comment or action by the Employer, shall not be construed as an indication that Employer agrees with its content. If either the Employer or the employee places in the personnel record information which is false, the Employer or employee, whichever is appropriate, shall have remedy through the grievance procedure to have that information expunged.

- (7) Pre-employment information, such as reference reports, credit checks or information provided to the Employer with a specific request that it remain confidential, shall not be subject to inspection or copying.
- (8) Any written memorandums evidencing oral reprimands may be removed from all files after one (1) year unless other disciplinary action involving the same or similar behavior by the employee has been taken. Written reprimands may be removed from all files after two (2) years unless other disciplinary action involving the same or similar behavior by the employee has been taken. It shall be the responsibility of the employee to make a request that any oral and/or written reprimands be removed from his files. Any reprimand material not removed by a request from an employee may be used in any manner or in any form adverse to the employee's interest. An employee shall not be able to request that any reprimand material in his files be removed because of the passage of time set forth above if there is a pending disciplinary action or grievance involving the same or similar behavior against the employee. After the disciplinary action or the grievance procedure has been completed, the employee may request that any reprimand material be removed from his files because of the passage of time.

Section C. Notification

Employees shall be given reasonable notice by Employer when formal, written disciplinary documentation is placed in their personnel file.

Section D. Limitation on Use of File Material

It is agreed that any material and/or matter not available for inspection, such as provided in Section A above, shall not be used in any manner or any forum adverse to the employee's interests.

Section E. Use of File Material

Any information of an adverse employment nature which may be contained in any unfounded, exonerated or otherwise unsustained file, shall not be used against the employee in any future proceedings.

ARTICLE 12 -- DISCIPLINE AND DISCHARGE

Section A. Discipline and Discharge

The parties recognize the principles of progressive and corrective discipline.

Disciplinary action or measures shall include only the following:

- oral reprimand
- written reprimand
- demotion
- suspension with or without pay (notice to be given in writing)
- discharge

The authority of the Sheriff to suspend shall be limited to an aggregate of not more than thirty (30) days in any twelve (12) month period.

Disciplinary action may be imposed against an employee only for failing to fulfill his responsibilities as an employee and for just cause. Any disciplinary action or measure imposed against an employee may be processed as a grievance through the regular grievance procedure.

If the Employer has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

Section B. Predisciplinary Meeting

For discipline other than oral and written reprimands, prior to notifying the employee of the contemplated discipline to be imposed, the Employer shall notify the local Lodge of the meeting and then shall meet with the employee involved and inform the employee of the reason for such contemplated discipline, including any names of witnesses and copies of pertinent documents. The employee shall be informed of his contract rights to Lodge representation and shall be entitled to such, if so requested by the employee, and the employee and Lodge Representative shall be given the opportunity to rebut or clarify the reasons for such discipline and further provided that a Lodge Representative shall be available within twenty four (24) hours of notification. If the employee does not request Lodge representation, a Lodge Representative shall nevertheless be entitled to be present as a nonactive participant at any and all such meetings.

Section C. Investigatory Interviews

Where the Employer desires to conduct an investigatory interview of an employee where the results of the interview might result in discipline, the Employer agrees to first inform the employee that the employee has a right to Lodge representation at such interview. If the employee desires such Lodge representation, no interview shall take place without the presence of a Lodge representative. The role of the Lodge representative is limited to assisting the employee, clarifying the facts and suggesting other employees who may have knowledge of the facts.

Section D. Definition of Union Agent or Representative

The provisions of 735 ILCS 5/8-803.5 shall apply to professional agents or representatives employed by the Illinois Fraternal Order of Police Labor Council and not to individual union members belonging to the local bargaining unit, Lodge No. 186 for the Sheriff's Correctional Officers, Court Security Officers, Secretaries and Office Manager of Livingston County, Illinois.

ARTICLE 13 -- DISPUTE RESOLUTION AND GRIEVANCE PROCEDURE

Section A. Definition of a Grievance

A grievance is defined as any unresolved difference between the Employer and the Lodge or any employee regarding the application, meaning or interpretation of this Agreement. This grievance procedure is subject to and shall not conflict with any provisions of the Illinois Public Labor Relations Act.

Section B. Dispute Resolution

In the interest of resolving disputes at the earliest possible time, it is agreed that an attempt to resolve a dispute shall be made between the employee and his immediate supervisor.

The employee shall make his complaint to his immediate supervisor. The supervisor will notify the employee of the decision within two (2) business days following the day when the complaint was made. Settlements or withdrawals at this step shall not constitute a precedent in the handling of other grievances. In the event of a complaint, the employee shall first complete his assigned work task, and complain later.

Section C. Representation

Grievances may be processed by the Lodge on behalf of an employee or on behalf of a group of employees. The Employer may file contract grievances directly at Step 3, Section H of this Article. Either party may have the grievant or one grievant representing group grievants present at any step of the grievance procedure, and the employee is entitled to Lodge representation at each and every step of the grievance procedure upon his request.

Grievances may be filed on behalf of two or more employees only if the same facts, issues and requested remedy apply to all employees in the group.

Section D. Subject Matter

Only one subject matter shall be covered in any one grievance. A grievance shall contain a statement of the grievant's position, the Article and Section of the Agreement

allegedly violated, the date of the alleged violation, the relief sought, the signature of the grieving employee or employees and the date.

Section E. Time Limitations

Grievances may be withdrawn at any step of the grievance procedure without precedent. Grievances not appealed within the designated time limits will be treated as withdrawn grievances.

The Employer's failure to respond within the time limits shall not find in favor of the grievant, but shall automatically advance the grievance to the next step, except Step 2. time limits may be extended by mutual agreement.

Section F. Grievance Processing

No employee or Lodge Representative shall leave his work assignment to investigate, file or process grievances without first making mutual arrangements with his supervisor, and such mutual arrangements shall not be denied unreasonably. In the event of a grievance, the employee shall always perform his assigned work task and grieve his complaint later, unless the employee reasonably believes that the assignment endangers his safety.

Section G. Grievance Meetings

A maximum of two (2) employees (the grievant and/or Lodge Representative) per work shift shall be excused from work with pay to participate in a Step 1 or Step 2 grievance meeting. The employee or employees shall only be excused for the amount of time reasonably required to present the grievance. The employee or employees shall not be paid for any time during which a grievance meeting occurs outside of the employee's work shift. In the event of a grievance, the employee shall first perform his assigned work task and file his grievance later.

Section H. Steps in Procedure

Disputes arising under this Agreement shall be resolved as follows:

- Step 1. If no agreement is reached between the employee and the supervisor, as provided for in Section B. Dispute Resolution, the Lodge shall prepare a written grievance and present it to the Sheriff no later than ten (10) business days after the employee was notified of the decision by the supervisor. A copy of the Grievance Form to be utilized is attached hereto as Exhibit B and made a part hereof by reference. Within five (5) business days after the grievance has been submitted to the Sheriff, the Sheriff shall meet with the grievant and the Lodge Representative to discuss the grievance and make a good faith attempt to resolve the grievance. The Sheriff shall respond in writing to the grievant and the Lodge Representative within five (5) days following the meeting.
- Step 2. If the grievance is not settled at Step 1, the grievance may be referred to in writing, within five (5) business days after the decision of the Sheriff, to a Committee consisting of the Sheriff and five (5) members of the County Board appointed by the Chairman of the County Board. Within twenty (20) business days after the grievance has been filed with the Committee the Committee shall meet with the Lodge and the grievant to discuss the grievance and make a good faith effort to resolve the grievance. The Committee shall respond in writing to the grievant and the Lodge within five (5) business days following the meeting.
- Step 3. If the dispute is not settled at Step 2, the matter may be submitted to arbitration within ten (10) business days after the Board's written decision or the expiration of the five (5) day period if the Board fails to render a written decision. Within ten (10) business days after the matter has been submitted to arbitration, a representative of the Employer and the Lodge shall meet to select an arbitrator from a list of mutually agreed to arbitrators. If the parties are unable to agree on an arbitrator within ten (10) business days after such meeting, the parties shall request the American Arbitration Association to submit a list of seven (7) arbitrators. Either party shall have the right to reject an entire list of arbitrators. The arbitrator shall be selected from the list of

seven (7) by alternate strikes by the Employer representative and the Lodge. The Employer and the Lodge shall take turns as to the first strike. The person whose name remains on the list shall be the arbitrator, provided that either party before striking any names shall have the right to reject one (1) of the arbitrators on the list. The arbitrator shall be notified of his selection by a joint letter from the Employer and the Lodge. Such letter shall request the arbitrator to set a time and a place for the hearing subject to the availability of the Employer and Lodge representatives and shall be notified of the issue where mutually agreed by the parties. All hearings shall be held in the City of Pontiac, Illinois, unless otherwise agreed to.

Both parties agree to make a good faith attempt to arrive at a joint statement of facts and issues to be submitted to the arbitrator.

The Employer or Lodge shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expense of its witness.

Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall make a preliminary determination of the question of arbitrability. Once a determination is made that the matter is arbitrable or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute.

The expenses and fees of arbitration and the cost of the hearing room shall be shared equally between the parties. Costs of arbitration shall include the arbitrator's fees, room cost and transcription costs. Nothing in this Article shall preclude the parties from agreeing to use the expedited arbitration procedures of the American Arbitration Association. The decision and award of the arbitrator shall be made within forty five (45) days following the hearings and shall be final and binding on the Employer, the Lodge and the employee or employees involved. The arbitrator shall have no power to amend, modify, nullify, ignore, add to or subtract from the provisions of the Agreement.

ARTICLE 14 -- SENIORITY

Section A. Definition of Seniority

As used herein, the term "seniority" shall refer to and be defined as the continuous length of service or employment in the respective classifications covered by this Agreement from the date of last hire. In the event of a transfer from one classification to another, the employee shall maintain seniority with the Employer for time generated benefits only such as vacation or sick leave time with no seniority starting in the new classification for other things such as wages.

Section B. Probation Period

An employee is a "probationary employee" for his first twelve (12) months of employment if not required to participate in a FTO program. If the employee participates in a FTO program, the employee shall be a "probationary employee" for the first twelve (12) months after completing the program. No matter concerning the discipline, layoff or termination of a probationary employee shall be subject to the grievance and arbitration procedures. A probationary employee shall have no seniority, except as otherwise provided in this Agreement, until he has completed his probationary period. Upon the completion of his probationary period, he will acquire seniority from his date of hire.

Section C. Seniority List

The Employer and Lodge have agreed upon the initial seniority list setting forth the present seniority dates for all employees covered by this Agreement and shall become effective on or after the date of execution of this Agreement. Such lists shall finally resolve all questions of seniority affecting employees covered under this Agreement or employed at the time the Agreement becomes effective. Disputes as to seniority listing shall be resolved through the grievance procedure. The initial agreed list is attached hereto as Exhibit C and made a part hereof by reference.

Section D. Termination of Seniority

An employee shall be terminated by the Employer and his seniority broken when he:

- (1) quits; or
- (2) is discharged for just cause; or
- (3) is laid off pursuant to the provisions of this Agreement for a period of twelve (12) months; or
- (4) accepts gainful employment while on an approved leave of absence from the Employer; or
- (5) is absent for three (3) consecutively scheduled work days without proper notification or authorization; or
- (6) fails to return to work at the conclusion of an approved leave of absence for a period of three (3) consecutive days.

Section E. Seniority While on Leave

Employees will not continue to accrue seniority credit for any time spent on authorized unpaid leave of absence.

Section F. Conflicts in Vacation or Personal Days

- (1) Employees shall select the periods of their annual vacation on the basis of seniority. Vacation schedules may be adjusted to accommodate seasonal operations, significant revision in organization, work assignments or the number of personnel in the particular ranks, provided however, that no more than one employee may take vacation at the same time and no employee shall receive priority for more than two weeks vacation per year.
- (2) Conflicts in scheduling the selection of a personal day shall be resolved in favor of the most senior employee.

Section G. Seniority, Position and Gender Shift Bidding

- (1) The Employer shall continue to use a shift-bidding procedure adopted pursuant to a Temporary Agreement dated May 12, 2011, based upon seniority or time in rank and gender to determine which correctional officers including sergeants will work the shifts determined by Employer and shall

change the shift every two (2), twenty-eight-day (28) schedule periods. A sign-up list will be posted for seven (7) consecutive days prior to the end of a two (2) month period and each correctional officer including correctional officer sergeants may sign up for the shift of his or her preference prior to the beginning of the next two (2), twenty-eight-day (28) schedule periods and shall receive their shift assignment based on seniority or time in rank and gender. Any correctional officer eligible for shift bidding who does not sign up on a timely basis or who fails to sign up shall be assigned to any shift and days off determined by the Sheriff or his designee for the following two (2), twenty-eight-day (28) schedule periods. Shift bidding shall not apply to eight (8) hour employees or to any other special assignment positions designated by the Sheriff which are positions that require special expertise except for the "LEADS" Supervisor if that person is a twelve (12) hour employee. A correctional officer or court security officer shall have the option of refusing any special assignment position. A correctional officer shall be able to change the shift they have bid if they have obtained the consent of another correctional officer who would like to switch shifts and if Employer has also consented to the change.

- (2) Sergeants will be subject to the same shift bidding procedure set forth above.
- (3) Correctional officers with less than one (1) year of employment will not be eligible to participate in shift bidding. The Sheriff or his designee, at his discretion, shall determine the shift and days off for each of these employees and the Sheriff or his designee, at his discretion, can change the shift of these employees at any time during the year.
- (4) In an emergency, the Sheriff or his designee shall have the authority to change the shift of any correctional officer or court security officer immediately. Illness or injury affecting a correctional officer or court security officer for seven (7) or less continuous days shall not be deemed an emergency. An emergency shall be defined as unforeseen or unanticipated

circumstances not initiated or caused by the Sheriff or his designee which create immediate personnel needs on a particular shift or shifts.

- (5) In the event a correctional officer requests a shift change because of personal reasons and the Sheriff determines that the shift change is appropriate, then Article 4(11)(b) shall not apply and the Sheriff shall be able to make this shift change immediately for a period of time not to exceed thirty (30) days. The Sheriff shall be able to extend this shift change for an additional period of time not to exceed fifteen (15) additional days provided that the Sheriff schedules and holds a labor management conference prior to the expiration of the initial thirty (30) day period.

Section H. Court Security/Corrections Seniority

Court security officers shall be placed on the correctional officers seniority list based on their years of service with Livingston County Sheriff's Office. Correctional officers shall be allowed to work overtime opportunities created by openings in the court security positions and court security may work openings in Corrections that they are able to work.

During their regular shift, court security officers may be temporarily assigned to the Livingston County Public Safety Complex to do work they are qualified to perform. During their regular shift, correctional officers may be temporarily assigned to the former Livingston County Courthouse or the Livingston County Law and Justice Center to do work they are qualified to perform.

The current court security officers working in that capacity on December 1, 2004, may not be bumped from their court security jobs, nor may court security officers be allowed to bump correctional officers working in that capacity on December 1, 2004, by seniority.

Correctional officers may apply for openings in court security by submitting a resume to the Sheriff. Any correctional officer transferred to court security shall maintain their pay and seniority for time generated benefits.

All seniority for bumping within each classification shall be based on time within classification.

ARTICLE 15 -- LAYOFF

Section A. Layoff

In the event the Employer determines a layoff is necessary, employees shall be laid off in the inverse order of their seniority unless compliance with state or federal law requires otherwise. The Employer agrees to inform the Lodge in writing not less than thirty (30) days prior to such layoffs and to provide the Lodge with the names of all employees to be laid off in such notice.

Section B. Layoff Order

- (1) Probationary employees, temporary and part-time employees shall be laid off first, then full-time employees shall be laid off in inverse order of their seniority. Individual employees shall receive notice in writing of the layoff not less than thirty (30) days prior to the effective date of such layoff.
- (2) In the event that it is necessary to lay off a ranking employee either through abolition of the employee's position, department reorganization or otherwise, that ranking employee may elect to return either to a lesser rank by bumping an employee with less seniority in the lower position. In such case, the ranking employee shall be paid at the lower rate of pay for the position he assumes.

Section C. Recall

Employees shall retain recall rights for twenty-four (24) months. Employees shall be recalled from layoff within each particular job classification according to their seniority. No new employees shall be hired until all employees on layoff in that particular job classification desiring to return to work shall have been given the opportunity to return to work.

In the event of recall, eligible employees shall receive notice of recall either by actual notice or by certified mail, return receipt requested. It is the responsibility of all employees eligible for recall to notify the Sheriff of their current address. Upon receipt of the notice of recall, employees shall have five (5) working days to notify the Sheriff of their

acceptance of the recall. The employee shall have five (5) business days thereafter to report to duty.

ARTICLE 16 -- HOLIDAYS

Section A. Paid Holidays

Except in cases of emergency, all employees shall have the following days off at full pay:

New Year's Day

Labor Day

Easter Sunday

Thanksgiving Day

Memorial Day

Christmas Day

Independence Day

Good Friday shall be considered an additional day off at full pay if the County Board of Livingston County, Illinois, shall schedule it as a holiday and close the Livingston County Courthouse. If the County Board does not schedule Good Friday as a holiday then the employees shall not have the day off at full pay.

Section B. Working on Holidays

Eight (8) hour employees scheduled to work on a paid holiday shall be paid straight time for actual hours worked, plus an additional eight (8) hours pay or eight (8) hours compensatory time off, at the election of the officer. Such employees scheduled to have a day off on a paid or other holiday shall receive eight (8) hours compensatory time off.

Twelve (12) hour employees scheduled to work on a paid holiday shall be paid straight time for actual hours worked, plus an additional twelve (12) hours pay or twelve (12) hours compensatory time off, at the election of the officer. Such employees scheduled to have a day off on a paid or other holiday shall receive twelve (12) hours compensatory time off.

Section C. Other Holidays

The County Board, annually, will schedule other holidays by resolution. Employees scheduled to work any of those other holidays will receive eight (8) hours or twelve (12)

hours compensatory time off, depending on the number of hours per day employees are scheduled to work.

Section D. Accumulation

As of May 30, 2011, the conversion date from the eight (8) consecutive hours of work within a twenty-four (24) hour period to the twelve (12) consecutive hours of work within a twenty-four (24) hour period, for certain employees, but not for others, the accumulated holiday time for each employee will be converted into hours at the rate of eight (8) hours for each day of holiday time. No more than one hundred twenty (120) hours of holiday time may be accumulated and carried over from one year to the next by an employee. All accumulated holiday time in excess of one hundred twenty (120) hours of holiday time per employee in existence as of November 30, 2011, shall be paid to the employee in a single, lump sum payment combined with other accumulations set forth in this Agreement with the second paycheck in December, 2011, at the employee's rate of pay in effect as of November 30, 2011, with the usual and customary deductions taken for withholding, FICA, Medicare, IMRF and the like. All holiday time in excess of the holiday cap shall be purchased at the rate it was earned (i.e. eight (8) or twelve (12) hours.) All holiday time taken off shall be based on the employee's working day. Employer shall provide each employee with an analysis and explanation of the payment being made for purposes of verification. Each fiscal year thereafter, any accumulated holiday time in excess of one hundred twenty (120) hours of holiday time per employee shall be paid to each employee in a single, lump sum payment combined with other accumulation set forth in this Agreement with the second paycheck in December at the employee's rate of pay in effect the previous November 30th with the usual and customary deductions taken for withholding, FICA, Medicare, IMRF and the like. Employer shall provide each employee with an analysis and explanation of the payment being made for purposes of verification.

ARTICLE 17 -- VACATIONS

Section A. Vacation Leave

All full-time employees shall earn vacation time. Employees on leave of absence or layoff shall not accrue vacation time. Eligible employees shall earn vacation time in accordance with the following schedule which shall become effective for each individual employee for his or her next date-of-employment anniversary after the date of this Agreement:

	<u>Eight Hour</u>	<u>Twelve Hour</u>
	<u>Employees</u>	<u>Employees</u>
(a) 0-7 years service-----	96 hours	144 hours
(b) 8-15 years service-----	144 hours	216 hours
(c) After 15 years service-----	192 hours	288 hours

Employees may not utilize vacation time not yet earned. During the first six (6) months of employment, an employee may not take his or her vacation time. However, the vacation earned in the first six months of employment may be taken during the second six (6) months of an employee's first year of employment. On the employee's first year anniversary they will have accrued an additional forty-eight (48) hours of vacation time for eight (8) hour employees and seventy-two (72) hours of vacation time for twelve (12) hour employees. Vacation time shall be computed from the anniversary day of each employee and except for secretaries shall not be requested, approved or taken for periods of less than four (4) hours for eight (8) hour employees or six (6) hours for twelve (12) hour employees. Secretaries shall be able to request, have approved and take vacation time in one (1) hour increments.

Section B. Vacation Pay

All vacation time will be paid for at the regular hourly rate and on the basis of eight (8) hours per day or twelve (12) hours per day, depending on the number of hours employees are scheduled to work.

Section C. Vacation Requests

Except for an occasional period of not less than one (1) hour for secretaries, four (4) hours for eight (8) hour employees or six (6) hours for twelve (12) hour employees which is taken as vacation time, all employees must submit, in writing, to the Sheriff, a schedule of desired vacation prior to March 1st of each year. The vacation schedule shall apply to the period of time beginning on March 1st of the current year through February 28th or 29th of the subsequent year. Conflicts in scheduling will be resolved in favor of the most senior employee. At least one (1) day's notice shall be given for a period of not less than one (1) hour, four (4) hours, or six (6) hours time as set forth above. The Sheriff shall have the right to alter any schedule if he deems it to be in the best interest of the Department to do so. No employee shall be entitled to priority in selecting his vacation for more than eighty (80) hours for an eight (8) hour employee or eighty-four (84) hours for a twelve (12) hour employee in each fiscal year from March 1st through February 28th or 29th.

Section D. Accumulation

As of May 30, 2011, the conversion date from the eight (8) consecutive hours of work within a twenty-four (24) hour period to the twelve (12) consecutive hours of work within a twenty-four (24) hour period for certain employees but not for others, no employee may accumulate more than the equivalent of one (1) year of vacation time based on his or her years of service as set forth in Section A. above to be carried over from one year to the next. By way of example, an eight (8) hour employee with seven (7) years of service could carry over up to ninety-six (96) hours of vacation time, while an eight (8) hour employee with eight (8) years of service could carry over up to one hundred forty-four (144) hours of vacation time. There will be no accumulation of vacation time and no compensation for unused vacation time beyond the equivalent of one (1) year of vacation time. The only time accumulated vacation time in excess of the equivalent of one (1) year of vacation time could be carried over to the next year would be if vacation time was timely requested by the employee and denied by the Employer. In situations where there was a proper excess accumulation of more than one (1) year of vacation time, each fiscal year hereafter, any accumulated vacation time in excess of one (1) year shall be paid to each

employee in a single, lump sum payment combined with other accumulations set forth in this Agreement with the second paycheck in December at the employee's rate of pay in effect the previous November 30th with the usual and customary deductions taken for withholding, FICA, Medicare, IMRF and the like. Employer shall provide each employee with an analysis and explanation of the payment being made for purposes of verification.

ARTICLE 18 -- SICK LEAVE

Section A. Allowance

It is the policy of the Employer to provide protection for its employees against loss of income because of illness. Employees are encouraged to save as much sick leave as possible to meet serious illness situations. Sick leave is not intended for a one day vacation nor to be used to extend vacation periods or holidays.

Any employee contracting or incurring any non-service connected sickness or disability, which renders such employee unable to perform the duties of his employment, shall receive sick leave with pay in accordance with this Agreement.

Section B. Accumulation

As of May 30, 2011, the conversion date from the eight (8) consecutive hours of work within a twenty-four (24) hour period to the twelve (12) consecutive hours of work within a twenty-four (24) hour period for certain employees but not others, the accumulated sick leave time for each employee in existence prior to the May 30, 2011, will be converted into hours at the rate of eight (8) hours for each day of sick leave time. After May 30, 2011, sick leave time will be granted at the rate of eight (8) hours or twelve (12) hours per month of service, depending on the number of hours per day employees are scheduled to work and employees may accumulate sick leave time up to one thousand nine hundred twenty (1,920) hours. Employees who work both eight (8) hour and twelve (12) hour shifts during the same month shall have the number of hours of sick leave time that accrues pro-rated based on the amount of time worked in each shift category. Sick leave time may not be converted into vacation leave. If an employee's employment terminates, other than for

disciplinary reasons, the employee shall be compensated for unused accumulated sick leave time up to one thousand nine hundred twenty (1920) hours in accordance with the following schedule:

- (a) 0-7 years service-----None
- (b) 8-15 years service-----50% at his daily wage rate
- (c) After 15 years service--100% at his daily wage rate

Unused sick leave time in excess of one thousand nine hundred twenty (1,920) hours shall not be compensated upon termination or retirement. Compensation, if any, for unused, accumulated sick leave time for termination not related to retirement shall be paid to the Officer in a single, lump sum payment within thirty (30) days of the date of termination with the usual and customary deductions taken for withholding, FICA, Medicare, IMRF and the like.

If retirement is the cause of termination or retirement is contemplated after receiving compensation for unused sick leave days, unused sick leave compensation shall be handled in one of two ways at the option of the employee.

If the employee elects to retire and notifies IMF accordingly in order to draw his IMF pension, compensation for unused, accumulated sick leave days shall be paid to the employee in the same manner and time interval and at an amount equal to his regular periodic paycheck received at the time employment was terminated by retirement with the usual and customary deductions taken for withholding, FICA, Medicare, IMF to the extent required, and the like until such time as the entire amount due has been paid. This employment termination caused by retirement shall be initiated by the employee submitting his written notice of intent to retire on a specific date to Employer and notification of IMF. The employee in this situation will be responsible for paying the cost of his health insurance beginning with the effective date of retirement. Alternatively, an employee who is contemplating retirement may elect to go on a paid leave of absence, turning in his uniforms, equipment, weapon, identification, and badge. There will be no additional accrual of holidays, sick days or vacation time nor will the employee be allowed a clothing or medical allowance from the date the paid leave of absence goes into effect, but the employee will be paid at the same rate of pay he would receive as if a full-time employee

on duty, including receiving the same other benefits such as IMF contribution and health insurance paid by the Employer in the same manner as other employees. This termination of employment in contemplation of retirement resulting in a paid leave of absence shall be initiated by the employee submitting his written notice of intent to retire effective on the appropriate specific date in the future determined by the number of unused sick days for which compensation is to be paid.

Once an employee has elected to retire, utilizing either alternative set forth above, and submits his written notice of intent to retire or intent to retire effective on the appropriate specific date in the future, and Employer has initiated either sick leave compensation process set forth above, the employee's decision shall be irrevocable. If the employee desires to be re-employed, he must comply with existing, established Merit Commission procedures for new hires applying to fill a vacancy.

Section C. Procedures

No employee will be permitted to take leave if it has not yet been earned. Sick leave shall be paid at full pay at the current rate of compensation.

Sick leave may be utilized by employees when they are sufficiently ill so that good judgment would determine it best not to report to work or in the event of injury not arising out of or in the course of their employment and for routine medical and dental appointments. All foreseeable leave for such purposes shall require a specific prior approval of the Sheriff. In the event of sick leave for any purpose, the Sheriff may require the certificate of a medical doctor giving information as to the circumstances involved.

If an employee is sufficiently ill or injured so that he or she is unable to report to work, the employee shall give at least two (2) hours notice of his or her inability to work measured from the time his or her shift is to start, except secretaries who shall give at least one (1) hour notice. If the employee fails to give this notice, the employee shall be subject to the disciplinary procedure set forth in Article 12.

Employees who are unable to return to work upon expiration of sick leave benefits and all other authorized benefit time must request a leave of absence without pay. Non-paid sick leave shall be equivalent to the total accumulated sick leave available on the first

day of illness, or thirty (30) calendar days, whichever is greater. Failure to apply for a leave of absence for extended illness upon expiration of all such benefits will result in automatic termination.

Any absence of three (3) working days or longer may require a physician's statement of release and verification substantiating that he may return to work. In addition, the Sheriff may request a physician's statement of verification of absence of shorter periods of time. The Sheriff may also require the employee to be examined by a physician of the Sheriff's choice at the expense of the Employer.

Notice of an employee's desire to return to work after an extended illness must be given to the Sheriff no less than twenty four (24) hours in advance.

The Sheriff or any authorized authority may direct an employee who appears ill to leave work to protect the health of other employees. Compliance with such an order will not be charged to sick leave for the first day.

An employee shall be paid sick leave equivalent to the normally scheduled straight time day.

The Sheriff shall maintain a record of sick leave accrual, sick leave taken, and the balance of sick leave allowance available for the individual employees.

Section D. Abuse of Leave

Sufficient evidence of abuse of leave is subject to the disciplinary procedures of this Agreement.

Section E. Pregnancy

Pregnancy shall be handled as required by the Family Leave Act.

Section F. Personal Leave Days

Each employee shall be allowed to use two sick leave days each year as personal leave days with pay, provided the Sheriff's advance approval is obtained, in which case a request for a personal leave day shall be given to the Sheriff at least one (1) working day prior to the leave date being requested, if practicable. Requests for personal leave shall

not be unreasonably denied but personal leave days shall be granted to no more than one (1) employee per shift on any given day provided minimum staffing levels are maintained for each shift. Multiple requests for the same shift on the same day shall be determined by the order of request on a first come, first serve basis. The fact that Employer may have to pay overtime shall not be a sufficient basis for reasonable denial of a request for a personal leave day.

ARTICLE 19 -- LEAVES OF ABSENCE

Section A. Discretionary Leave

- (1) The Sheriff may grant leaves of absence, without pay or salary, to employees under his supervision for job related reasons (such as further training or study), which will enable employees to perform their usual and customary duties with greater efficiency and expertise, or for other valid reasons (such as prolonged illness of the employee, his spouse, or his child or children, or such as childbirth).
- (2) The Sheriff may assure an employee who is granted such leave, that the employee's position, or job, will be restored to him at the conclusion of his leave; provided, however, that the employee's employment by the Employer might, and could be, terminated if, during the period of such leave, the employee's position, or job, were to be eliminated by action of the County Board of Livingston County, Illinois, or the enactment or amendment of State or Federal legislation which results in the elimination of such position or job. In that event, any person hired by the Employer to fill the employee's position, or to perform his usual and customary duties during the employee's leave will be discharged so as to permit such employee to resume his employment by the Employer.
- (3) No leave shall be granted for a period exceeding one hundred eighty (180) consecutive calendar days, nor shall any employee be granted a leave, or leaves, totaling more than one hundred eighty (180) days in a given calendar year without the approval of both the Finance Committee and the

Administrative Committee of the County Board of Livingston County, Illinois,
being first obtained.

Section B. Absence Due to Death in Immediate Family

- (1) In the event of the death of an immediate family member, an employee shall be permitted to be absent from his job for an appropriate number of days up to three (3) days with supervisor approval, and for each such day's absence, the employee shall receive compensation at his normal rate of pay. If the employee desires to be absent for more than three (3) days, he may utilize previously earned, unused, vacation days and receive compensation for each such additional day's absence at his normal rate of pay, provided that his immediate superior approves such additional absence.
- (2) Any absence to attend the funeral of anyone who is not a member of an employee's immediate family may be arranged with the Sheriff, without pay, but previously earned and unused vacation days may be utilized in such case with the consent of the Sheriff.
- (3) A member of the immediate family shall be defined to be any employee's current spouse, mother, father, daughter or son (including step or adopted), sister or brother (including half or step), sister-in-law or brother-in-law, grandparent or grandchild or the current spouse's mother, father, sister, brother (including half or step), sister-in-law, brother-in-law, grandparent or grandchild.

Section C. Jury Duty.

An employee required to serve on a grand jury or petit jury shall be granted leave for the period required to serve on such jury without the loss of pay. Such employees shall sign a waiver of any compensation otherwise due them for serving on such jury.

Section D. Family and Medical Leave of Absence.

- (1) General Policy. Eligible employees may take up to 12 work weeks of unpaid FMLA leave in a 12-month period for specified family and medical reasons. The 12-month period is measured forward from the date an employee's first FMLA leave begins.
- (2) Eligibility. Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.
- (3) Conditions Triggering Leave. FMLA leave may be taken for the following reasons:
 - (a) For incapacity due to pregnancy, prenatal medical care, or child birth;
 - (b) To care for the employee's child after birth, or placement for adoption or foster care;
 - (c) To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
 - (d) For a serious health condition that makes the employee unable to perform employee's job.

Federal law specifies employee eligibility for leave and provides certain limitations and conditions. Spouse who both work for the county may only take a combined total of twelve (12) weeks for the birth or placement of a child. However, each employee may use the remainder of his/her individual FMLA leave for other allowable reasons.

- (4) Definition of Serious Health Condition. For the purposes of this policy, a serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight staying in a medical care facility, or continuing treatment by a healthcare provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or

incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

- (5) Calculation of FMLA Leave. Eligible employees may receive up to 12 workweeks of unpaid leave during the 12-month period measured forward from the date an employee's first FMLA leave begins. FMLA leave for the birth or placement of a child for adoption or foster care must be concluded within 12 months of the birth or placement of the child.
- (6) Intermittent Leave. Eligible employees may take FMLA intermittently or on a reduced hour basis when medically necessary for the employee's own or immediate family member's serious health condition. Leave due to qualifying exigencies may also be taken on an intermittent basis. Intermittent leave is not permitted for a birth of a child, to care for a newly born child, or for placement of a child for adoption or foster care. Where an employee requests intermittent leave or leave on a reduced hours basis due to an immediate family member's or the employee's own serious health condition, the County has the option, in its sole discretion, to require the employee to transfer to a temporary alternative job (with equivalent pay and benefits) for which the employee is qualified and which better accommodates the intermittent leave or reduced hours leave than the employee's regular job.
- (7) Use of Accrued Paid Leave. Employees must first use their available paid time off (vacation, sick leave, etc.) during the leave period. When an employee has taken all available accrued paid leave, any additional leave under this policy will be unpaid.
- (8) Requesting Leave and Designation of Leave. FMLA leave may be initiated by the employee or the County. To request FMLA leave employees should complete a Request for Leave form and submit it to Human Resources. In certain circumstances, the County may designate an absence as FMLA even if the employee did not request FMLA.
- (9) Notification by Employee. When the need for leave is foreseeable (such as the birth or placement of a child and certain medical treatments), the employee must notify the County at least 30 days in advance of the requested leave. When the need for leave is not foreseeable, the employee must give notice as soon as practicable. Failure to provide timely notification may result in delay or denial of leave. Employees must provide sufficient

information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified.

- (10) Certification. Employees may be required to provide a certification and periodic re-certification from a health care provider supporting the need for leave. The employee must provide a copy of the certification in a timely manner (fifteen calendar days). All appropriate information must be provided on the certification; employees must provide additional required information when requested. Under certain circumstances, the County may require second or third medical opinions and periodic re-certifications. Failure to comply with these requirements may result in delay or denial of leave.
- (11) Benefits. Employees taking leave under this policy who participate in the County's group health plan may continue coverage under the plan on the same terms as if they had continued work, with the County paying its portion of the premiums and the employee paying his or her portion. Failure of the employee to pay his or her share of the health insurance premium may result in loss of coverage. If an employee fails to return to work from FLMA leave, the County reserves the right to recover reimbursement for the employer-paid portion of benefits coverage, unless the employee fails to return due to the continuation, recurrence, or onset of a serious health condition or circumstances beyond his or her control. Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.
- (12) Return to Work. Upon returning from FMLA leave, most employees must be restored to their original position or to an equivalent position with equivalent pay, benefits, and other employment terms.

Section E. Personal Leave of Absence.

The Employer will consider requests for personal leaves of absences from employees who have at least twelve (12) months of continuous service. The County

provides personal leaves of absence in certain circumstances for family emergency situations or highly unusual circumstances not covered by FMLA or other provisions of leave policies. Whether a personal leave of absence is granted will be at the sole discretion of the Employer.

Personal leave may be granted for a period of up to 12 weeks each calendar year or until appropriate benefit time has been exhausted whichever results in the greater period of time. Employees must submit a request for leave of absence in writing to their department official at least 30 days in advance, whenever the need for leave is foreseeable. If the need for leave is not foreseeable, employees must request leave as soon as practicable.

At the end of the month in which the employee exhausts vacation, comp time, personal, and sick time while taking leave under this policy, the employee will become responsible for the full costs of health insurance if they wish coverage to continue.

Benefit accruals, such as vacation and sick time and seniority credit will be suspended during the unpaid portion of leave under this policy and will resume upon return to active employment.

Reasonable effort will be made to return the employee to the same position, if it is available, or to a similar available position for which the employee is qualified. However, approval of leave does not guarantee job reinstatement in all cases.

Employees who fail to return to work without notification upon the expiration of the leave of absence will be considered to have resigned as of the last day of the leave of absence.

Job reinstatement is not guaranteed with a Personal Leave of Absence. If the employee's job has been filled or eliminated, the employee may apply for other open positions with the County for which he or she is qualified. If no such position is available when the employee returns to work, the employee may be terminated from employment.

Section F. School Visitation Leave.

Employees who have exhausted all paid time off (except sick leave) may have unpaid time off to attend school conferences and activities of their child. Under this section, "child" includes biological, adopted, foster, stepchild of the employee, and/or gal wards of the employee.

To be eligible for leave under this section, employees must have been employed by the County at least 6 months working at least half time. Employees must provide at least 7 days advance notice of the need for leave under this section whenever possible. Employees must provide at least 24 hours notice in an emergency situation.

Employees may request up to 8 hours leave per school year under this section. However, no more than 4 hours of school visitation leave may be taken in any one day. Upon return from the leave, employees must provide documentation to the Employer from the school verifying the date and time of the visit.

ARTICLE 20 -- HOURS OF WORK/OVERTIME

Section A. Work Day

Eight (8) consecutive hours of work within a twenty four (24) hour period constitutes the regular work day with sixteen (16) hour periods between regularly scheduled eight (8) hour shifts for eight (8) hour employees. This sixteen (16) hour period between regularly scheduled eight (8) hour shifts shall not apply to call out, overtime or emergencies.

Twelve (12) consecutive hours of work within a twenty-four (24) hour period constitutes the regular work day with twelve (12) hour periods between regularly scheduled twelve (12) hour shifts for twelve (12) hour employees. This twelve (12) hour period between regularly scheduled twelve (12) hour shifts shall not apply to call out, overtime or emergencies.

All employees shall be prohibited from working more than eighteen (18) consecutive hours unless an emergency situation exists.

Section B. Work Period

For eight (8) hour employees, a work week shall consist of five (5) consecutive eight (8) hour days and each employee shall have two (2) consecutive days off between each work week. Employees shall be scheduled to work or credited with holidays, vacation leave, sick leave or compensatory time for a total of forty (40) hours in a seven (7) day work period computed from Monday to Sunday. All time in excess of forty (40) hours, including sick leave time, in the normal work period of seven (7) days shall be compensated as provided in Section C. below. Eight (8) hour employees shall be at their duty post at the start of their scheduled shift.

Twelve (12) hour employees shall be scheduled to work or credited with holidays, vacation leave, sick leave or compensatory time for a total of eighty four (84) hours in a fourteen (14) day work period computed from Monday to the second subsequent Sunday but will be compensated for only eighty (80) hours during the fourteen (14) day work period, it being understood that the four (4) hour difference is compensated in other ways. All time in excess of eighty four (84) hours, including sick leave time, in the normal work period of fourteen (14) days shall be compensated as provided in Section C. below. Twelve (12) hour employees shall be at their duty post at the start of their scheduled shift.

Section C. Overtime Payment

All overtime must be pre-approved by a supervisor. Each eight (8) hour employee who works in excess of forty (40) hours per work period and each twelve (12) hour employee who works in excess of eighty-four (84) hours per work period, whether of an emergency nature or non-emergency nature, shall receive one and one-half (1½) times their actual hourly rate of pay for work performed. The hourly rate of pay for each eight (8) hour employee and twelve (12) hour employee shall be the same. Sick leave time shall be included in computing the forty (40) hours or eighty four (84) hours per work or credit period. Compensatory time may be paid in lieu of overtime payment if the employee in his discretion so elects at the time overtime is worked. Compensatory time will be calculated at the same rate as overtime pay. The overtime rate shall be computed on the basis of completed fifteen (15) minute segments. Notwithstanding the above provisions concerning overtime payment, the following restriction shall apply:

Overtime worked immediately following an eight (8) hour shift for eight (8) hour employees or immediately following a twelve (12) hour shift for twelve (12) hour employees shall be compensated by one and one-half compensatory time for the first Fifty-Nine (59) minutes worked. Sixty (60) minutes or more of time worked immediately following an eight (8) hour or twelve (12) hour shift will be compensated at the employees' choice of either one and one-half (1½) times their actual hourly rate of pay or compensatory time. Whether the time worked following an eight (8) hour or twelve (12) hour shift qualifies as overtime will be determined at the end of the seven (7) day work period for eight (8) employees and at the end of the fourteen (14) day work period for twelve (12) hour employees. If the time worked following an eight (8) hour or

twelve (12) hour work days qualifies as overtime, whether the employee employee is entitled to compensation based upon one and one-half (1 1/2) his daily wage rate or one and one-half (1 1/2) compensatory time shall be determined by the amount of time worked immediately following each eight (8) hour or twelve (12) hour shift. For example, if an employee works 30 minutes of overtime after one eight (8) hour or twelve (12) hour shift and 30 minutes of overtime after the following eight (8) hour or twelve (12) hour shift, at the end of the seven day or fourteen (14) day work period he would be entitled to only compensatory time for the overtime worked on both days. If the same employee works 30 minutes of overtime one day and 60 minutes of overtime the next day, at the end of the seven (7) day or fourteen (14) day work period, he would be entitled to compensatory time for 30 minutes of overtime and payment for 60 minutes of overtime at the rate set forth above.

In the event an emergency is declared by the Sheriff, employees shall continue on duty for such number of hours as may be necessary.

Notwithstanding the effective date set forth below, the inclusion of sick leave time in computing overtime payment shall not go into effect until this Agreement is ratified by the bargaining unit and approved by the Employer.

Section D. Voluntary Non-shift Work

Work created by a shortage of help due to illness, injury or training of an employee scheduled to work an assigned shift during a regular work day where the employer does not order the employee to return to work on a call out and where the employee is given the opportunity to work and voluntarily accepts the extra work, shall be compensated at the employee's regular daily wage rate or compensatory time if the employee has not worked forty (40) hours during the seven (7) day work period for eight (8) hour employees or eighty four (84) hours during the fourteen (14) day work period for twelve (12) hour employees, or the employee's choice of either one and one-half (1 1/2) times his or her actual hourly rate of pay or compensatory time if the employee has worked forty (40) hours in the seven (7) day work period if an eight (8) hour employee or eighty four (84) hours in the fourteen (14) day work period if a twelve (12) hour employee. An employee may refuse voluntary overtime which shall not be subject to the five (5) day notice required by Article 4(11)(b) and shall be limited to all shift work.

Voluntary overtime shall be handled in the following manner:

- (1) A list of those interested in working voluntary overtime and the times that he or she is available to work overtime will be provided by FOP Lodge #186 on a monthly basis on the first day of each month.
- (2) All voluntary overtime will be taken from this list on an equal distribution of offers to work, except for emergency situations which require immediate response.

Section E. Meal Period and Breaks

Each employee shall be allowed a thirty (30) minute meal period per shift. This meal period shall be considered out of service time during which the employee will be subject only to priority duty. If an employee is unable to take a meal period because of emergency or workload, the employee shall be compensated at the rate of thirty (30) minutes of compensatory time off. Employees will be allowed to take reasonable periodic coffee breaks as long as they are not out of service and properly perform their assignment.

Section F. Call Out

A call out is defined as an official assignment of work which does not continuously follow an employee's regularly scheduled working hours. Employees reporting back to the Employer's premises at a specified time on a regularly scheduled work day or day off shall be compensated for two (2) hours at the approximate overtime rate or be compensated for the actual time worked, whichever is greater, at the overtime rate.

Section G. Court Time

Employees covered by this Agreement, required to attend court outside their regularly scheduled work hours shall be compensated at the overtime rate with a minimum of two (2) hours.

Section H. Use of Compensatory Time

The scheduling of compensatory time off, whether for holidays or overtime, must be approved by the Sheriff. Earned compensatory time must be taken prior to the end of each fiscal year in which it is earned. The current practice of requesting paid leave shall continue in full force and effect.

Section I. Accumulation of Compensatory Time

No more than forty (40) hours of compensatory time may be accumulated and carried over from one year to the next by an employee. Each fiscal year, any accumulated compensatory time in excess of forty (40) hours shall be paid to each employee in a single, lump sum payment included with the second paycheck in December at the employee's rate of pay in effect on the preceding November 30th, with the usual and customary deductions taken for withholding, FICA, Medicare, IMF and the like. Employer shall provide each employee with an analysis and explanation of the payment being made for purposes of verification.

These annual lump sum payments shall be non-cumulative and not added to the base salary for any purpose including calculation of the straight-time hourly rate of pay or the computation of overtime. Correctional officers and court security officers who have twenty-three (23) or more years of service shall not receive an annual lump payment and shall receive only the annual increases in salaries as set forth above.

- (2) The base pay for secretaries and office manager set forth on Exhibit C shall be the amount set forth on their last pay check received prior to December 1, 2011, and shall not include the amounts paid to the "LEADS" supervisor by virtue of this assignment. Secretaries do not receive an annual clothing allowance since they are not required to wear uniforms by the Employer but shall receive an \$950.00 annual medical and health-related expense allowance. These allowances shall be disbursed by a voucher system through the Employer in accordance with past practice for the exclusive use and benefit of the employee. Employees may use more than the \$650.00 allotted for clothing, to be deducted from the allotment for the subsequent year, but cannot use more than the \$950.00 allotted for medical and health-related expenses. It is the intent of this provision with relation to the medical and health-related expense allowance to cover those expenses of the Employee not otherwise paid by the health insurance including deductibles and that portion of the employee health insurance premium not paid by the Employer. Any amounts of allowances in either category set forth above not used during a year shall be carried over to the following year in the same category and added to the amount of allowances available for use by the employee in the following year. Employees shall not be able to transfer carryover allowances to a different category of allowance. Upon termination of employment for any reason, any unused allowances shall be forfeited.

Any employee who discloses the identity of another employee selected for random testing, that a random selection is scheduled or the date of which specimens will be collected is subject to disciplinary action. In conducting the testing authorized by this Agreement, the Employer shall:

- (1) Use only a clinical laboratory or hospital facility that is licensed by the State of Illinois.
- (2) Establish a chain of custody procedure for both the sample collection and testing that will insure the integrity of the identity of each name and test result. No employee covered by this Agreement, other than persons assigned to internal affairs investigations, shall be permitted at any time to become a part of such chain of custody.
- (3) Collect samples in such a manner as to insure a high degree of security for the sample and its freedom from adulteration.
- (4) Require that with regard to alcohol testing, for the purpose of determining whether the employee is under the influence of alcohol, test results that show an alcohol concentration of .02 or more based upon the grams of alcohol per 100 milliliters of blood shall be considered positive.
- (5) Collect a sufficient sample of the same bodily fluid or material from an employee to allow for initial screening and a confirmatory test.
- (6) In any situation where the same tests positive in an initial screening for drugs, a confirmation test of the second portion of the same sample by gas chromatography mass spectrometry (GCMS) shall be performed. The Employer shall pay the costs of the GCMS test.
- (7) Provide each employee tested with a copy of all information and reports received by the Employer in connection with the testing and the results.
- (8) Insure that no employee is the subject of any adverse employment action except temporary reassignment or relief from duty with pay during the pendency of any testing procedure. Any such temporary reassignment or relief from duty shall be immediately discontinued in the event of a negative test result.
- (9) Where the employee appears unable or unwilling to give a specimen at the time of the test, testing personnel shall document the circumstances on the drug test report form.
 - (a) Reasonable amounts of water may be given to the employee to encourage urination.

- (b) The employee shall be permitted a reasonable amount of time to give a sample, during which the employee shall remain in the testing area under observation.
 - (c) Failure to submit a sample shall be considered a refusal to submit to a drug test.
- (10) Whenever there is a reason to believe that the employee may have altered or substituted the specimen to be provided, a second specimen shall be obtained immediately under direct observation of the testing personnel.

Section H. Right to Consent

The Lodge and/or an employee, with or without the Lodge, shall have the right to file a grievance pursuant to this Agreement only concerning the administration of tests, the significance and accuracy of the tests, the consequences of the testing or results of any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the grievance procedure.

Section I. Voluntary Requests for Assistance

The Employer shall take no adverse employment action against an employee who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem prior to the time an employee is selected for random testing or ordered to submit to reasonable suspicion testing, other than the Employer may require reassignment of the employee with pay if he is then unfit for duty in his current assignment. All such requests shall be confidential and only information received by Employer, through whatever means, shall not be used in any manner adverse to the employee's interests except reassignment as described above.

Section J. Discipline

In the first instance that an employee tests positive on both the initial and the confirmatory tests for non-reported or abused prescription drugs or is found under the influence of alcohol, they may be subject to up to ten (10) days' disciplinary suspension without pay solely for the positive test result. Any employee who tests positive for the presence of illegal drugs shall be subject to discipline up to and including immediate discharge.

All employees who voluntarily seek assistance with drug and/or alcohol-related problems for the first time prior to being selected for random testing or prior to being ordered to submit to reasonable suspicion testing, shall not be subject to any disciplinary or other adverse employment action by the Employer unless charged with a criminal offense. The foregoing is conditioned upon:

- (1) The employee agreeing to appropriate treatment as determined by the Employer.
- (2) The employee discontinues his use of illegal drugs or abuse of alcohol.
- (3) The employee completes the course of treatment prescribed, including an "after care" group for a period of up to twelve (12) months.
- (4) The employee agrees to submit to random testing during hours of work during the period of "after care" for a period of up to twelve (12) months.

Employees who do not agree or who do not act in accordance with the foregoing, or who test positive a second or subsequent time for the presence of illegal drugs or alcohol during the hours of work shall be subject to discharge.

The foregoing shall not be construed as an obligation on the part of the Employer to retain an employee on active status throughout the period of rehabilitation if it is appropriately determined that the employee's current use of alcohol or drugs prevents such individual from performing the duties of a correctional or court security officer or secretary whose continuance or active status would constitute a direct threat to the property or safety of others. Such employees shall be afforded the opportunity to use accumulated sick leave or take an unpaid leave of absence, at the employee's option, pending treatment.

ARTICLE 26 -- SAVINGS CLAUSE

If any provision of this Agreement or any application thereof should be rendered or declared unlawful, invalid or unenforceable by virtue of any judicial action, or by any existing or subsequently enacted Federal or State legislation, or by Executive Order or other competent authority, the remaining provisions of this Agreement shall remain in full force and effect. In such event, upon the request of either party, the parties shall meet promptly and negotiate with respect to substitute provisions for those provisions rendered or declared unlawful, invalid or unenforceable.

ARTICLE 27 -- COMPLETE AGREEMENT

The parties acknowledge that during the negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining. The understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

ARTICLE 28 -- DURATION AND SIGNATURE

The notices referred to shall be considered to have been given as of the date shown on the postmark. Written notice may be tendered in person, in which case the date of notice shall be the written date of receipt.

Section B. Continuing Effect

Except as otherwise set forth above, this Agreement to the contrary, this Agreement shall remain in full force and effect after any expiration date while negotiations or Resolution of Impasse Procedure are continuing for a new Agreement or part thereof between the parties.

IN WITNESS WHEREOF, the parties hereto have affixed their signatures this _____ day of _____, 2012.

EXHIBIT F

(1) Section 11-3 Anti-Harassment and Complaint Procedure

11-3.1 The County is committed to providing a workplace free from all forms of unlawful discrimination and harassment. Discrimination or harassment of any kind based on sex, race, color, national origin, age, religion, disability, handicap, sexual orientation, veteran status, marital status, ancestry, or any legally protected characteristic is prohibited by the County and by applicable state and federal laws. Actions, words, jokes, or comments based on any of these characteristics will not be tolerated.

Any employee who engages in conduct in violation of this policy is subject to discipline up to and including termination of employment.

Section 11-3.2 Sexual Harassment

Sexual harassment is one type of unlawful discrimination that is prohibited. All employees must avoid offensive or inappropriate sexual behavior at work and are responsible for assuring that the workplace is free from sexual harassment at all times. All employees must avoid any action or conduct which could be viewed as sexual harassment, including: (a) unwelcome sexual advances; (b) requests for sexual acts or favors, with or without accompanying promises, threats, or reciprocal favors or actions; and (c) other verbal or physical conduct of a harassing or sexual nature made to an employee when:

- 1) submission to such conduct is made either explicitly or implicitly a condition of an individual's employment
- 2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions;
- 3) such conduct has a purpose or effect of substantially interfering with an individual's work performance; or
- 4) such conduct has the purpose or effect of creating an intimidating, hostile or offensive working environment.

Examples of prohibited conduct include, but are not limited to, lewd or sexually suggestive comments; off-color language or jokes of a sexual nature; slurs and other verbal, graphic or physical conduct relating to an individual's gender; or any display of sexually explicit pictures, greeting cards, articles, books, magazines, photos or cartoons.

Section 11-3.3 Other Forms of Impermissible Harassment

Harassment on the basis of sex, race, color, national origin, age, religion, disability, handicap, sexual orientation, veteran status, marital status, ancestry, or any legally protected characteristic is prohibited by the County. All employees must avoid offensive or inappropriate harassing behavior at work and are responsible for assuring that the workplace is free from unlawful harassment at all times.

The County's policy prohibits verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of that individual's race, sex, color, national origin, age, religion, disability, handicap, sexual orientation, veteran status, marital status, ancestry, or any legally protected characteristic or that of the employee's relatives, friends, or associates and that (a) has the purpose or effect of creating an intimidating, hostile or offensive work environment; (b) has a purpose or effect of unreasonably interfering with an individual's work performance; or (c) otherwise adversely affects an individual's employment opportunities.

Prohibited conduct can include, but is not limited to, the following: (a) epithets, slurs, negative stereotyping, or threatening, intimidating or hostile acts that relate to any protected characteristic and (b) written or graphic material that denigrates or shows hostility or aversion toward an individual or group because of a protected characteristic and that is placed on walls, bulletin boards, or elsewhere on the employer's premises or circulated in the workplace.

Section 11-3.4 Harassment Complaint Procedure

If you believe you have been subject to or witness to sexual or other unlawful harassment, report it immediately to your supervisor. If your supervisor is unavailable or you believe it would be inappropriate or uncomfortable to discuss it with him or her, you should immediately report it to your Department Head or Human Resources. Such conduct must be reported whether it occurs on or off County premises, during work hours or outside work hours, and whether committed by a County employee or by another person the employee encounters as part of employment by the County, such as a supplier or vendor.

Any supervisor or manager who becomes aware of possible sexual or other unlawful harassment must immediately report such information to the Treasurer or President even if the employee has asked that no action be taken on the complaint or the information provided.

Employees can make good faith reports and complaints of sexual or other harassment without fear of reprisal or retaliation. Retaliation by any person against an employee making such a report or complaint or participating in a related investigation is strictly prohibited and any such retaliation subjects an employee to disciplinary action, up to and including termination of employment.

False and frivolous complaints refer to incidents where the accuser is using a sexual harassment complaint to accomplish some end other than stopping sexual harassment. It does not refer to charges made in good faith which cannot be proven. Given the

seriousness of the consequences for the accused, a false and frivolous charge is a severe offense that can itself result in disciplinary action.

All complaints of sexual or other harassment will be promptly and thoroughly investigated. To the extent practicable, the County endeavors to maintain confidentiality of complaints and related investigation.

Any employee who has engaged in sexual or other unlawful harassment will be subject to disciplinary action, up to and including termination of employment.

The County hopes that any incident of sexual harassment can be resolved through the internal process outlined above. All employees, however, have the right to file formal charges with the Illinois Department of Human Rights (IDHR) and/or the United States Equal Employment Opportunity Commission (EEOC). A charge with IDHR must be filed within 180 days of the incident of sexual harassment. A charge with EEOC must be filed within 300 days of the incident.

The Illinois Department of Human Rights may be contacted as follows:

(2) Section 11-7 ELECTRONIC COMMUNICATIONS

11-7.1 Purpose - To describe the County's policy regarding the use and monitoring of communications systems, including electronic and telephone communications systems, including, but not limited to mail, e-mail, telephone systems, voice mail, facsimiles, video equipment and tapes, tape recorders and recordings, pagers, cellular phones, computer networks, the internet, and computer directories and files.

11-7.2 Policy - It is the policy of the County to provide or contract for the communication services and equipment necessary to promote the efficient conduct of business. All business equipment, electronic and telephone communications systems, and all communications and stored information transmitted, received, or contained in the County's information systems are the County's property and are to be used primarily for job-related purposes. While some limited personal use is permitted, (to be determined in the sole discretion of the County) such use should only be during non-working time and should be in accordance with this policy. To ensure the proper use of communications systems and business equipment, the County may monitor the use of these systems and equipment from time to time.

11-7.3 Employees also are prohibited from using codes, accessing files, or retrieving any stored communication without prior clearance from an authorized County representative. No employee may use a pass code unknown to the County.

11-7.4 Employees who violate this policy are subject to disciplinary action, up to and including termination. As a condition of employment, employees will be required to sign a consent form acknowledging their understanding and agreement to comply with this policy.

11-7.5 Procedure-

I. Electronic systems are owned/leased and maintained by the County, and electronic communications are the sole property of the County. Personal software or messages shall not be installed or stored on County electronic equipment unless approved by authorized personnel.

ii. The County will, or reserves the right to, monitor the use of electronic systems and to review, retrieve, or inspect all material that is created, transmitted, stored in, accessed, or sent through any County electronic communication system, with or without prior notice to the employee. No communications are guaranteed to be private or confidential, and employees have no right of privacy with respect to any use of the County's electronic communications systems.

iii. The use of personal passwords, assigned to the employee, is not grounds for an employee to claim privacy rights in the electronic or communications systems. The County reserves the right to override personal passwords. Employees may be required to disclose passwords or codes to the County to allow access to the systems.

iv. The County's prohibition against sexual, racial, and other forms of harassment are extended to include the use of electronic and telecommunications systems. Offensive, harassing, vulgar, obscene, or threatening communications are strictly prohibited, as are sexually oriented messages or images. Communications that may defame or disparage the County or employees are also prohibited from publication on any electronic systems. Employees who receive e-mails or other information on their computers which they believe violate this policy should immediately report this activity to their supervisor.

The County prohibits the use of its electronic communication systems in a manner that is unlawful or violates any County policy. Employees are prohibited from using County communications systems to transmit, receive, retrieve, or store any information or communication that is discriminatory, harassing, derogatory to any individual or group, obscene, sexually explicit or sexually suggestive, unlawful, or otherwise contrary to the County's policies or business interests.

Employees are prohibited from accessing without authorization or tampering with the security of any computer or network system. Any unauthorized attempt to bypass computer or network security controls, i.e. "hacking" into other systems or logins or using unauthorized passwords is strictly forbidden.

v. Privileged or confidential material, such as, but not limited to, trade secrets or attorney-client communications, should not be exchanged haphazardly by e-mail, facsimiles, etc.

vi. Employees are prohibited from disseminating, printing, or copying copyrighted materials or in any other way violating copyright laws. The electronic posting of copyrighted information is also prohibited, unless the County or the employee has created the information or owns the rights to it.

vii. Outsiders or non-employees are prohibited from using electronic communications to communicate with County employees or the County for any purpose unrelated to County business.

viii. Employees must be aware of the possibility that electronic messages that are believed to have been erased or deleted can frequently be retrieved by systems experts and can be used against an employee or the County. Therefore, employees should be cautious and use the systems only in the appropriate manner and consult with systems experts to guarantee that information to be deleted is truly eliminated from the system.

ix. Employees should exercise care so that no personal correspondence appears to be an official communication of the County. Personalized County stationery and business cards may only be issued by the County. Employees may not use the County's address for receiving personal mail or utilize County stationery or postage for personal letters.

x. Violation of this policy can result in discipline, up to and including termination of employment.

xi. Limited personal use of cellular phones and pagers is permitted. Abuse of this rule may result in discipline up to and including discharge.

(3) Section 11-16 Confidential Information

11-16.1 The protection of confidential information is vital to the interests of the County and the public. Confidential information includes, but is not limited to, financial information, health and medical information, information protected by law, pending projects, and proposals. No confidential information may be copied or removed from County premises, except in the ordinary course of performing duties for the County. Additionally, confidential information may not be disclosed to anyone except where required for a legitimate business purpose.

11-16.2 Use of any photographic equipment (including cell phones, PDA's, or any other electronic device with photographic or imaging capability) to take still pictures or video of any confidential information is strictly prohibited.

11-16.3 All requests by outside entities or persons for the disclosure of confidential information should be directed to your Department Head. Employees who are unsure about the confidential nature of specific information are to ask their Department Head for clarification. Any employee who improperly uses or discloses confidential information is subject to discipline, up to and including termination of employment, even if he or she does not actually benefit from the disclosed information.

(4) Section 11-17 Conflicts of Interest

11-17.1 Employees have an obligation to avoid actual or potential conflicts of interest. The purpose of this policy is to provide guidelines so that employees can seek further clarification on issues related to the subject of acceptable standards of operation. Contact your Department Head or Human Resources for more information or questions about conflicts of interest.

11-17.2 Business dealings with outside firms should not result in unusual gains for those firms. Unusual gain refers to bribes, product bonuses, special fringe benefits, unusual price breaks, and other windfalls designed to ultimately benefit the employer, the employee, or both.

11-17.3 An actual or potential conflict of interest occurs when an employee is in a position to influence a decision that may result in a personal gain for that employee or for a relative as a result of the County's business dealings. For the purposes of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

11-17.4 If an employee has any influence on transactions involving purchases, contracts, or leases, it is imperative that the employee disclose to the Livingston County State's Attorney as soon as possible the existence of any actual or potential conflict of interest so that safeguards can be established to protect all parties.

11-17.5 Personal gain may result not only in cases where an employee or relative has a significant ownership in a firm with which the County does business, but also when an employee or relative receives any kickback, bribe, substantial gift, or special consideration as a result of any transaction or business dealings involving the County.

(5) Section 11-18 Outside Employment

11-18.1 All employees are subject to the County's scheduling demands, regardless of any existing outside work requirements. If the County determines that an employee's outside work interferes with performance, the employee may be asked to terminate the outside employment in order to remain with the County. Outside employment that constitutes a conflict of interest is prohibited.

(6) Section 11-19 Working Off-Premises

11-19.1 Employees who work off County premises must maintain appropriate care and security of all County equipment and information used at the employee's home or worksite.

11-19.2 Employees are responsible for maintaining the confidentiality of County information, documents, passwords, and other information. Employees are also responsible for preventing unauthorized access to any County system or information from their worksite. Employees must dispose of work related documents in a manner that will not jeopardize the interests of the County.

11-19.3 All County equipment, County property, information, hardware, software, and files remain the property of County and shall be promptly returned to the County upon request or termination of employment.

EXHIBIT G

POLICY

The internet, blogs, Twitter, the worldwide web, social networking sites, and any other medium of electronic communication including cell phones shall not be used in a manner which is detrimental to the mission and function of Livingston County, Illinois and the Sheriff of Livingston County, Illinois ("Agency").

It is essential for every employee to recognize that the proper functioning of this Agency relies upon the public's confidence and trust in the ability of the individual officers to carry out the law enforcement function. Any matter which brings individual employees or the Agency into disrepute has the adverse consequence of reducing public confidence and trust in the Agency, thus impeding the ability to work with, and serve the public. Professionalism is the most significant factor in high-level performance, which in turn builds public confidence and trust. While employees have the right to use personal social networking pages or sites in a responsible manner while not on duty, as employees of this Agency, they are public safety officials who are held to a higher standard than the general public with regard to standards of conduct and ethics. As such, the policy of this Agency is to maintain a level of professionalism in both on-and-off-duty conduct that fulfills the mission of the Agency. Any publication, through any medium, which is adverse to the operation, morale or efficiency of this Agency shall be deemed a violation of this policy and subject to the disciplinary procedures set forth in the collective bargaining agreement in effect between the employees and the Agency.

PURPOSE

The purpose of this policy is to direct the employees of this Agency with respect to the use of the internet, the worldwide web, and social networking as a medium of communication impacting this Agency.

PROCEDURES

A. Employees of this Agency are prohibited from using the Livingston County computers, cell phones and Sheriff's resources for any unauthorized purpose, including posting, texting, casually surfing the internet or casually participating in social networking sites and shall refrain from all such activity while on duty and Employees shall also comply with the provisions of Paragraph (2) of Exhibit F attached to this Agreement.

B. Employees of this Agency are prohibited from posting, texting or in any way broadcasting, without prior approval, information on the internet, or other medium of communication including cell phones, the business of this Agency including but not limited to:
